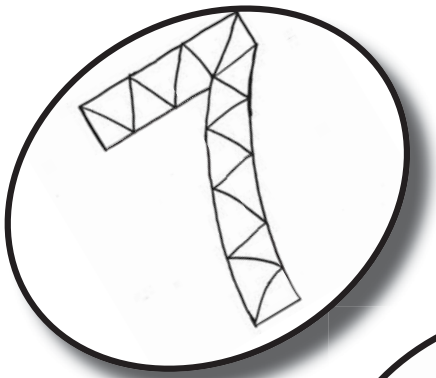
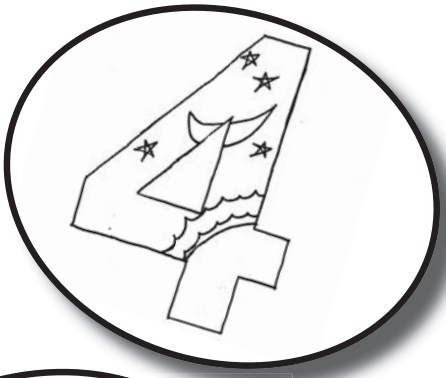
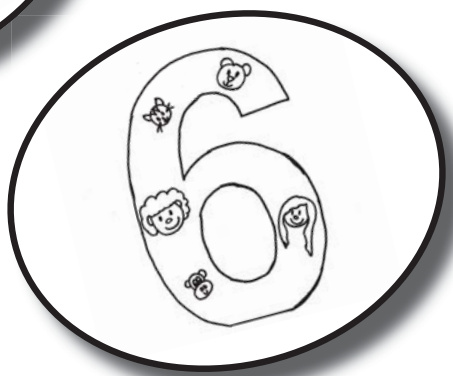
CREATION







AGE 0-4

Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear.

Hebrews 11:3

LESSON ONE

In The Beginning ...

LESSON TEXT: Genesis 1:1 - "In the beginning God created the heavens and the earth."

In the very beginning there was nothing except God. The earth had no form and it was empty. No people, no places, or things. No light. Nothing. Darkness was everywhere and in the darkness the spirit of God moved upon the face of the deep.

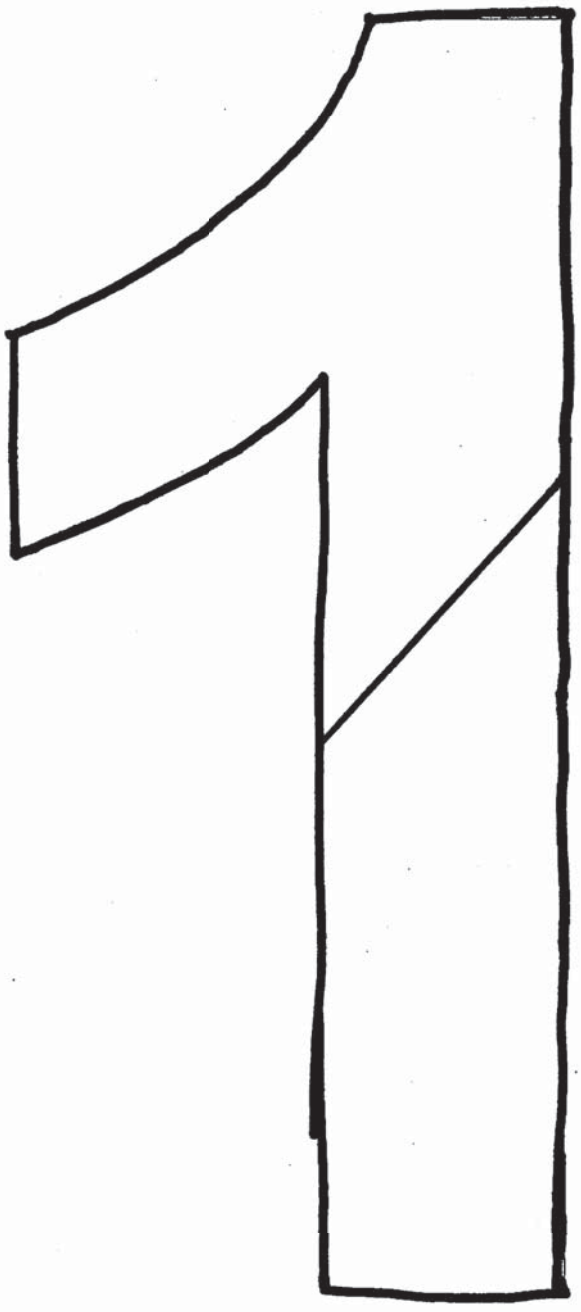
God said, "Let there be light." and there was light. God saw that it was good and he separated the light from the darkness. God called the light Day and the darkness he called Night. And the evening and the morning were the first day.

God said "Let there be a firmament in the midst of the waters and let it divide the waters from the waters." God made the firmament, and divided the waters which were under the firmament from the waters which were above the firmament: and it was so. And God called the firmament Heaven. And the evening and the morning were the second day. (Teacher note: define or explain that firmament is another word fro sky.)

God said "Let the waters under the heaven be gathered together in unto one place. and let the dry land appear" and it was so. God called the dry land Earth; and the gathering together of the waters he called the Seas: and God saw that it was good. And God said, "Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth; and it was so. God saw that it was good. And the evening and the morning were the third day.

God was very busy for these first three days. He made it light at times and dark at other times. The earth was full of water and God divided it. God called the huge space above the water the firmament. Then God made dry land; tall mountains and low valleys, prairies and deserts. The earth also started to have colors. Beautiful flowers came into being. Apples, oranges and other fruit were created and vegetables too. The majestic oak trees and small shrubs and bushes came to be on that day. The earth became green and beautiful.

Day One, Day One
God made light when there
was none



Day Two, Day Two
God made clouds and skies
so blue

Day Three, Day Three
God made grass and flowers
and trees

LESSON TWO

The Heavens Declared ...

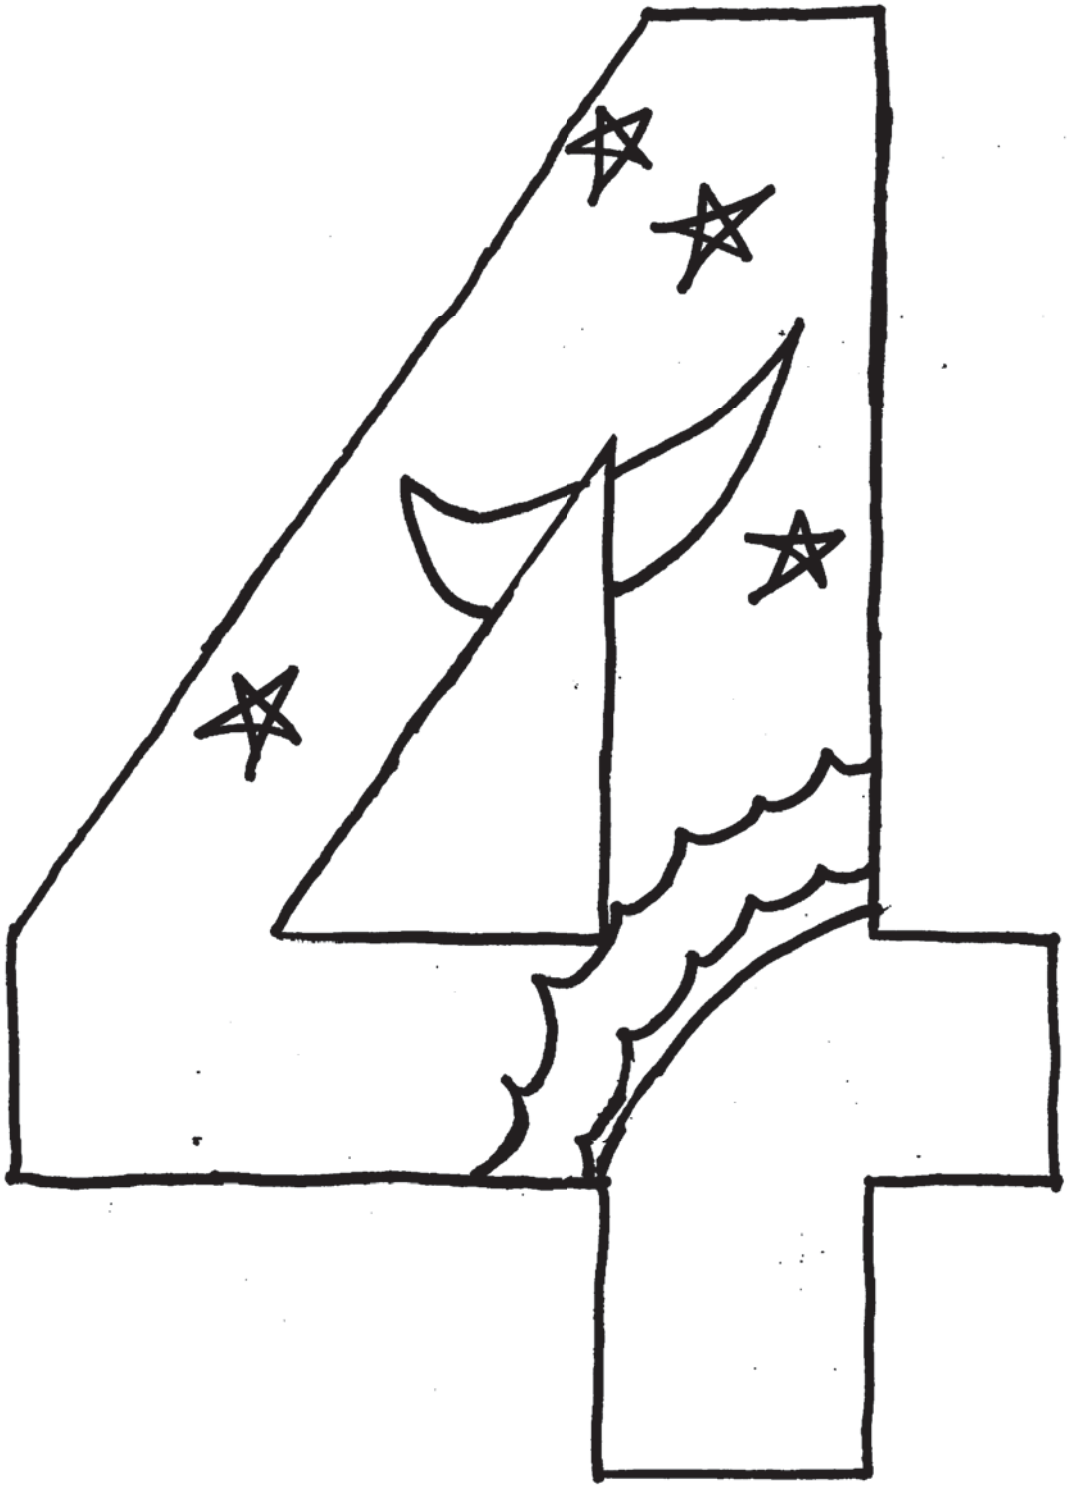
LESSON TEXT: Psalms 19:1 - "The Heavens declare the glory of God; and the firmament showeth his handiwork."

And God said, "Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for season, and for days, and years; let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

God made two great lights; the greater to rule the day, and the lesser to rule the night : he made the stars also. And God set them in the firmament of the heaven to give light upon the earth, and to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. And the evening and the morning were the fourth day.

On day four, God made two special lights in the sky. He made the sun to light the day and the moon to glow during the night. The stars were added to the help light the night sky. The warmth of the sun would help the plants and trees grow tall. The glow of the moon would light the night sky for the creatures that God would make that would be awake at night.

Day Four, Day Four
God made sun, moon, and
stars galore



LESSON THREE

Be Fruitful And Multiply...

LESSON TEXT: Genesis 1:22 - "And God blessed them, saying, Be fruitful, and multiply, and fill the waters in the seas, and let fowl multiply the earth."

God said, "Let the waters bring forth abundantly the moving creature that hath life, and fowl that may fly above the earth in the open firmament of heaven."

God said, "Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind": and it was so.

On the fifth day, God began to create living creatures. He filled the waters with life; huge whales, sharks, octopuses, lobsters and starfish. The lakes and rivers began to swim with fish of all kinds.

After the waters were filled with life, God created birds to fly in the sky. The sky was filled with birds of different sizes; from tiny little sparrows to the great eagle. The sky was alive with sounds and color.

On the sixth day, God created the creatures of the land. Every kind of animal, insect and reptile came into being. There were earth-shaking elephants and busy beavers. Mischievous monkey and clumsy crocodiles. Wiggly worms and cheeky chipmunks. Gangly giraffes and purring pussycats. The land was perfect.

Day Five, Day Five
God made birds and fish
alive

LESSON FOUR

... In His Own Image

LESSON TEXT: Genesis 1:27 - "So God created man in his own image, in the image of God created he him; male and female created he them."

And God said, "Let us make man in our own image, after our likeness: and let them have dominion over all the earth, and over every creeping thing that creepeth upon the earth." So God created man in his own image, in the image of God created he him; male and female created he them.

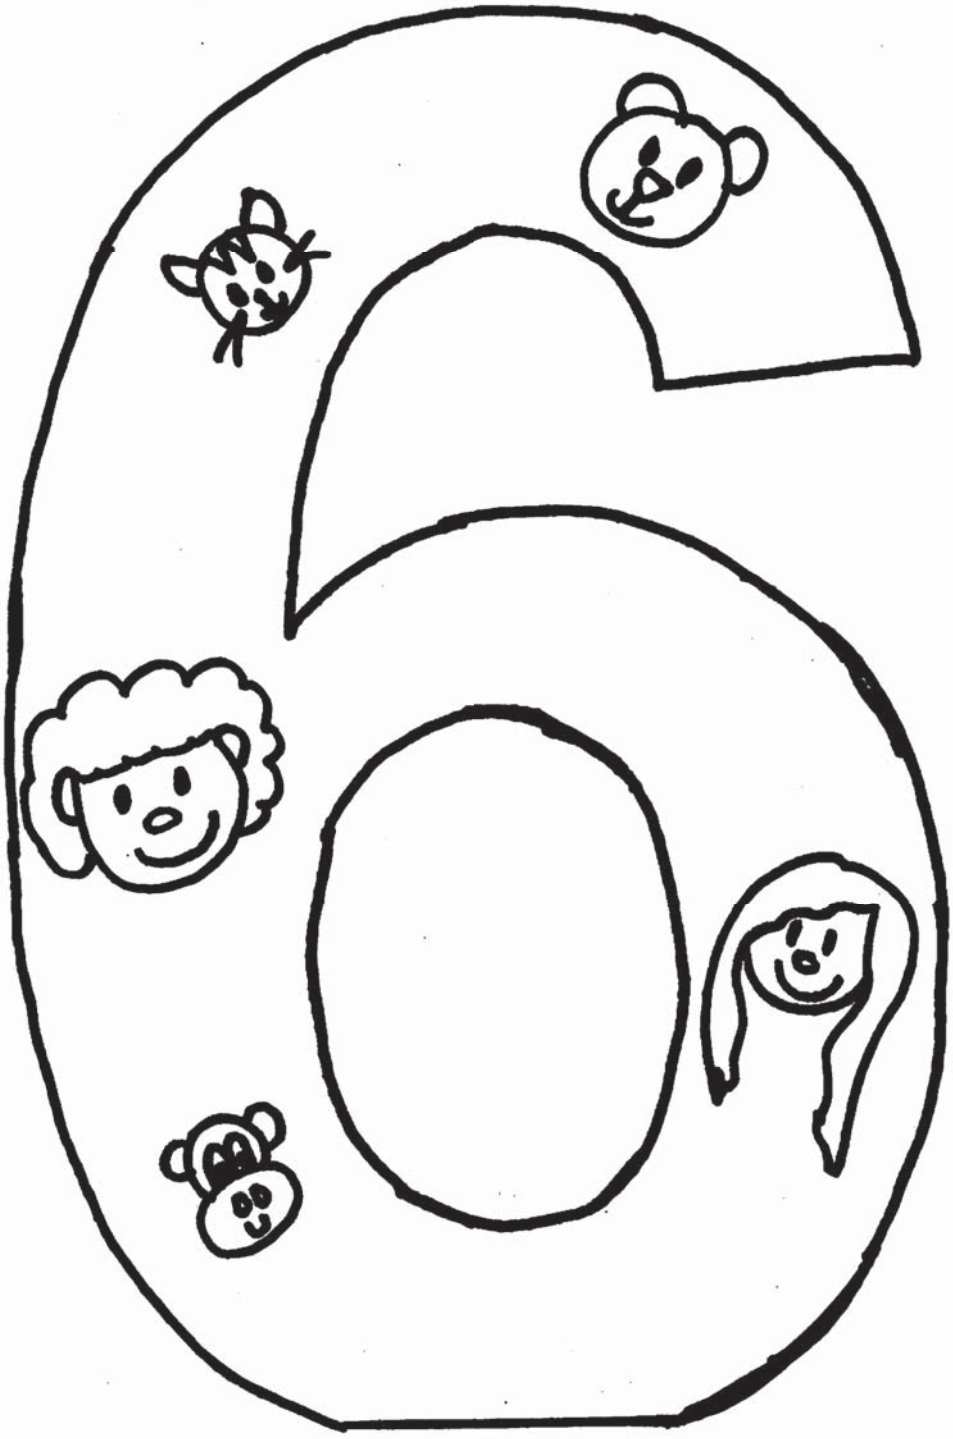
And God blessed them and God said unto them, "Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

And God said, "Behold, I have given you every herb bearing seed which is upon the face of all the earth and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat. And to every beast of the earth, and to every fowl of the air, and to everything that creepeth upon the earth, wherein there is life, I have given every green herb for meat; and it was so.

And God saw everything that he made, and, behold, it was very good. And the evening and the morning were the sixth day.

God did something else on the sixth day - something very special. God created man. He created man from the dust of the ground and breathed into his nostril the breath of life; and man became a living soul. God called the first man Adam. In the Hebrew language the name Adam means man and is also very similar to another Hebrew word that means ground. God planted a garden in Eden and put Adam there to keep it. God allowed Adam to name all of the animals, he lived in a beautiful garden and he had plenty to eat but he was all alone. God wanted Adam to have a helper so he caused a deep sleep to fall on him. While he slept, God took one of Adam's ribs. He used the rib to create a female. Adam called her a woman because she was taken out of man. Adam called his wife's name Eve; because she was the mother of all living.

Sixth Day, Sixth Day
God made animals and man
that day



LESSON FIVE

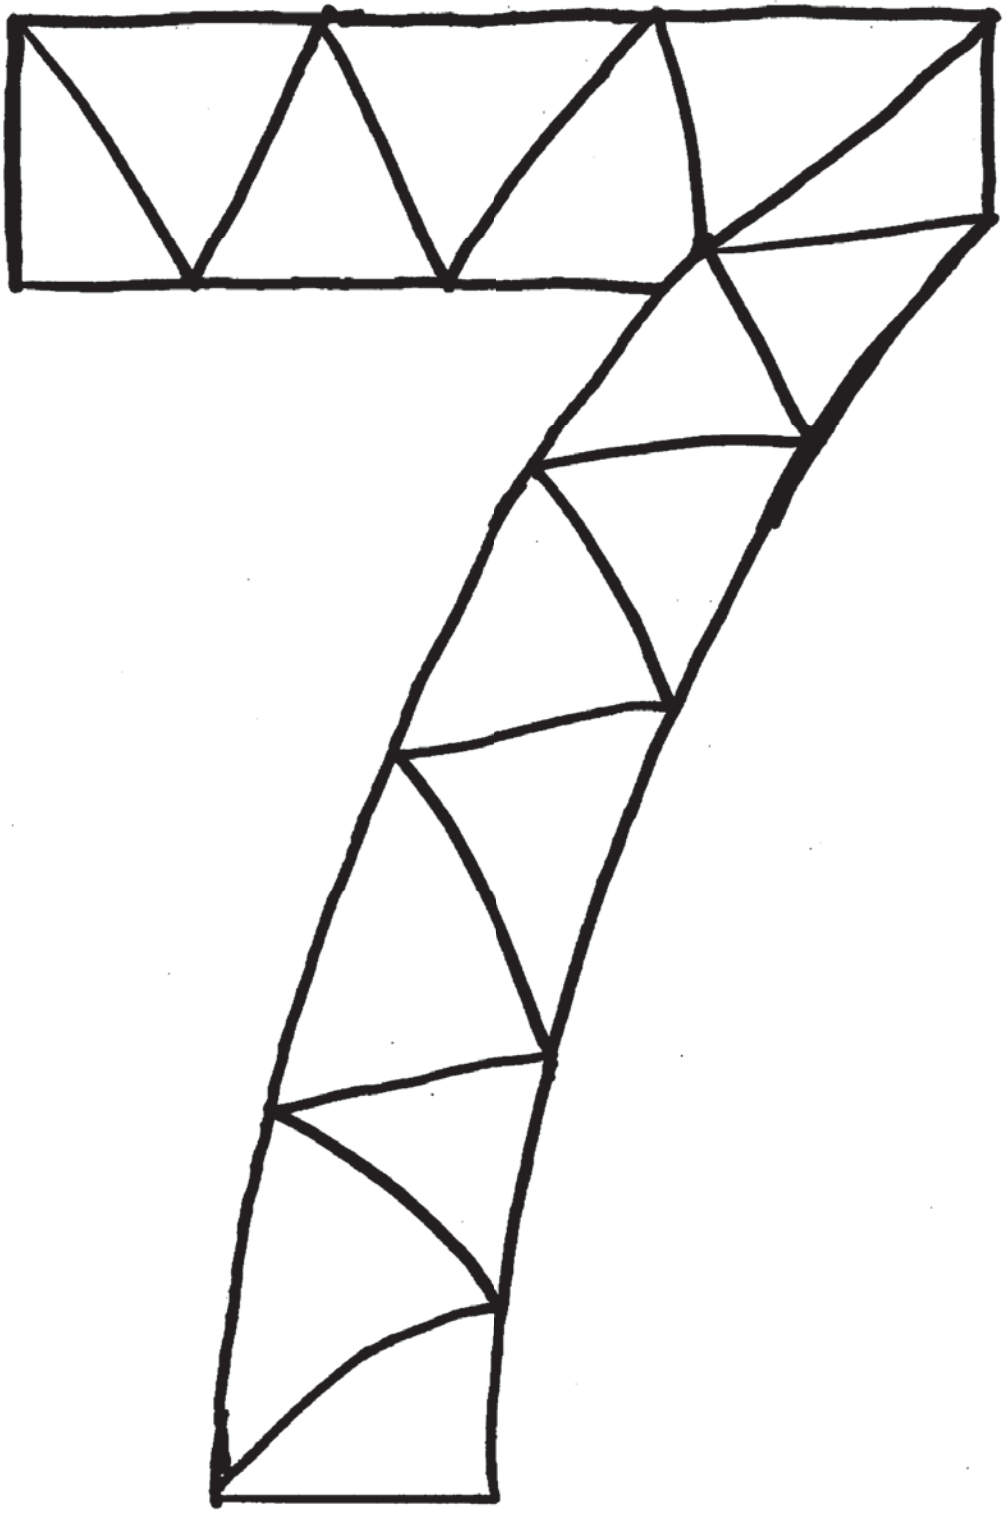
God Ended His Work

LESSON TEXT: Genesis 2:2 - "And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made.

Thus the heavens and the earth were finished, and all the host of them. And on the seventh day God ended his work which he had made; and he rested on the seventh day from all his work which he had made. And God blessed the seventh day, and sanctified it: because that in it he had rested from all his work which God created and made.

The heavens and the earth were finished and filled with life. On the seventh day God rested from his work and all that he had made. God blessed the seventh day and made it a holy day, because on that day he had rested.

Day Seven, Day Seven
God is resting in His heaven



CREATION BOOK

1. Cut each piece of construction paper into 4 pieces and punch two holes in the sides.

2. Make a cover page for each child on colored paper that says "My Creation Book". Be sure to date it.

3. Type out the specific verses and glue to the back of each page OR Write them on the paper.

4. Tie the pages together with yarn when they were finished at the end of the week.

Day 1 - Black construction paper
- Glue white construction paper to bottom half of black construction paper

Day 2 - Light Blue construction paper
- Glue a cotton ball pulled apart to blue construction paper

Day 3 - Green construction paper
- Glue pictures/sticker of flowers, fruits and vegetables to green paper

Day 4 - Black construction paper
- Glue stars and moon shapes on the black paper

Day 5 - Dark Blue construction paper
- Glue pictures/stickers of birds and sea animals to blue paper

Day 6 - Red construction paper
- Glue pictures/stickers of land animals, bugs, and man to red paper

Day 7 - Yellow construction paper
- Glue a photo of your church or a sunset to yellow paper
