**Optional suggestions
If you have access to the internet, a great place to search for craft ideas and color sheets is Pinterest. I found several interesting ideas by searching for "armor of god" on the Pinterest site. For 3 and 4 year olds, there are several crafts for each armor piece that are more involved. (i.e. craft sticks, foil, small jewels to create the sword of the spirit). Other sites include, daniellesplace.com, dltk-bible.com, orientaltrading.com and dollartree.com.
